https://www.dunriteplaygrounds.com/store2/74108-RECYCLED-BARK-PARK-SMALL-DOG-COURSE-KIT

Product Image

Description

Recycled BarkPark Small Dog Course (BARK-KIT04) is a configured BarkPark product. The package contains the items identified below; listed component models describe included equipment and are not additional pieces to order separately.

Included components

Recycled Grooming Table	BARK-421
Recycled Crawl Tunnel with Dog House	BARK-423
Recycled Adjustable Ring Jump	BARK-427
Rookie Weave Posts	PBARK-462

Configuration and ordering notes

Course model	BARK-KIT04
Activity groups	4
Mounting	Inground

Construction	Recycled construction identified by manufacturer
Color options	Not established by verified kit evidence
Minimum installation area	Not verified

This recycled four-activity configuration differs from traditional BARK-SMKIT and uses Rookie Weave Posts. No surface-mount option or specific color palette is asserted for this model.
