Description

Imbarimba Outdoor Musical Instrument | IMBA-IG-REC

Bring interactive, hands-on music to parks, schools, playgrounds, sensory gardens, and community spaces with the Imbarimba. This commercial outdoor marimba and kalimba inspired offers warm, earthy marimba tones. The 22-note instrument features coated fiberglass tone elements tuned to C major pentatonic and A minor pentatonic. Model IMBA-IG-REC specifies inground installation with recycled-material posts.
