Description

Pet Waste Station | BarkPark model PBARK-433

Recycled Plastic Pet Waste Station - Includes Recycled Plastic Receptacle With Rain Bonnet Lid. Dog-waste management stations help visitors collect and dispose of waste. Contents and construction differ between the exact-model packages. This is the **PBARK-433** configuration; versions with different mounting, materials or included components carry separate SKUs. Consult the exact installation drawing for required clearances, footing details and site preparation.

Model	Manufacturer description	Installation
PBARK-433	Recycled Plastic Pet Waste Station - Includes Recycled Plastic Receptacle With Rain Bonnet Lid	Confirm with model installation drawing

For a coordinated dog park, this equipment can be planned alongside appropriate agility obstacles and visitor amenities such as leash stations, drinking fountains, waste stations and seating. Any companion equipment is sold separately unless the exact-model description explicitly includes it. Verify the chosen site layout and any accessory compatibility before ordering.
