Premium Welcome Sign Custom Top 2 Sided is the two-sided BarkPark welcome sign in the custom top configuration.

The sign is intended for dog-park entrances and visitor orientation. One-sided and two-sided sign formats are separate models. Custom-top and custom-rules versions have distinct model suffixes; confirm artwork, information panel contents and placement before ordering.

Surface-mount versions are separately identified with an SM model designation. Coordinate this entrance accessory with an appropriate dog agility course, waste station and visitor amenity equipment.
