Description

Instructional Sign Post | Model UP197

Designed for commercial outdoor fitness areas serving users age 13 and older, this ActionFit product supports display exercise instructions next to a compatible station. The specified configuration is freestanding post for a station-specific exercise sign. It can help recreation departments and site planners provide purposeful exercise activities in public fitness spaces.

Product details

- Exact model: UP197
- Activity: Display exercise instructions next to a compatible station
- Configuration: Freestanding post for a station-specific exercise sign
- Scope: Sign post only, not an exercise station
- Intended users: age 13 and older

This listing is for the sign-display post, not the equipment being explained by the sign. Confirm the compatible instruction panel for the intended station. Installation method, impact-attenuating surfacing and clearance requirements must be checked against the current model-specific manufacturer drawing.
