Description

Assisted Functional Trainer with Sign Post | Model UP351-UP197

Designed for commercial outdoor fitness areas serving users age 13 and older, this ActionFit product supports assisted whole-body training and mobility. The specified configuration is assisted functional station with separate up197 instructional sign post. It can help recreation departments and site planners provide purposeful exercise activities in public fitness spaces.

Product details

- Exact model: UP351-UP197
- Activity: Assisted whole-body training and mobility
- Configuration: Assisted functional station with separate UP197 instructional sign post
- Scope: Exercise station and instructional sign post package
- Intended users: age 13 and older

The instructional sign post is part of the listed bundle; it should not be confused with a separate exercise station. Installation method, impact-attenuating surfacing and clearance requirements must be checked against the current model-specific manufacturer drawing.
