Description

Assisted Balance Walk with Sign Post | Model UP352-UP197

Designed for commercial outdoor fitness areas serving users age 13 and older, this ActionFit product supports supported walking and balance practice. The specified configuration is assisted balance-walk station with separate up197 instructional sign post. It can help recreation departments and site planners provide purposeful exercise activities in public fitness spaces.

Product details

- Exact model: UP352-UP197
- Activity: Supported walking and balance practice
- Configuration: Assisted balance-walk station with separate UP197 instructional sign post
- Scope: Exercise station and instructional sign post package
- Intended users: age 13 and older

The instructional sign post is part of the listed bundle; it should not be confused with a separate exercise station. Installation method, impact-attenuating surfacing and clearance requirements must be checked against the current model-specific manufacturer drawing.

Compare Balance and assisted movement
