# JHLAD Tire Boost Package $1,011.00

https://www.dunriteplaygrounds.com/store2/74362-JHLAD-Tire-Boost-Package

## Product Image

## Description

The Tire Boost Package, model 02-01-0025, is an optional accessory for the junior early-childhood horizontal ladder. It provides a raised step or assisted takeoff while helping limit surfacing displacement at the ladder.

### Features and specifications

- Intended for the junior horizontal ladder serving ages 2 to 5
- Adds assisted access at the ladder entrance
- Helps prevent displacement of loose safety surfacing
- Approximate catalog shipping/product weight: 75 lb

### Model and configuration comparison

| Model | Configuration | Selection detail |
|---|---|---|
| 02-01-0025 | Tire Boost accessory | Accessory only; ladder purchased separately |

| | | |
|---|---|---|
| PJHLAD | Junior horizontal ladder | Main age 2 to 5 overhead ladder; tire boost sold separately |

Use with the designated compatible ladder and required resilient playground safety surfacing.
