Seedling In Ground Package $392.00

https://www.dunriteplaygrounds.com/store2/74376-Seedling-In-Ground-Package

Product Image

Description

The Seedling In Ground Package, 02-08-0168, is the inground package listed for the Seedling playground product. It is an installation accessory used when planning the foundation and anchoring for that specific play unit, rather than the play equipment itself. The exact kit identity is documented in the 2026 UltraPlay price list.

Model specifications

Exact manufacturer model	02-08-0168
2026 catalog identification	Seedling In Ground Package
Published shipping weight	39 lb
Compatible structure family	Seedling
Product supplied	Inground mounting package only
Main play equipment	Sold under separate structure SKU

Configuration and related choices

Selected SKU	02-08-0168 installation package for Seedling
Main play equipment	Seedling structure, separate from its mounting

	kit
Other installation configurations	Confirm exact compatible SKU before ordering

This SKU should be specified alongside the matching Seedling product and the project's surfacing and foundation details. Do not assume it is interchangeable with installation packages for other Discovery Center structures or with a surface-mount conversion. Review the manufacturer installation instructions and approved submittals for footing placement, hardware and excavation requirements before construction.
