## Product Image

## Description

### In-ground mounting kit for compatible 32-gallon receptacles | IG KIT

This accessory provides the in-ground support frame for compatible 32-gallon outdoor trash receptacle bodies. It is a mounting component, not the receptacle itself.

### Verified product specifications

| | |
|---|---|

| Hardware | Stainless fasteners included for receptacle |

| | |
|---|---|
| | assembly |
| Installation | Concrete footing per model instructions |

## Product selection and comparison

Select IG KIT for the published in-ground support arrangement. SM KIT uses a surface anchorage plate instead. Confirm compatibility with the exact receptacle model and site footing conditions.

Confirm exact configuration, installation instructions and site conditions prior to ordering or installation.
