Description

Double Bay Bipod Swing Set with 4 tot seats Blue yokes | PBP-8-2C-BLU

Double Bay Bipod Swing Set with 4 tot seats Blue yokes is the double bay 8-foot bipod swing arrangement with 4 seats and blue yokes.

The manufacturer offers separate configurations for strap seats, tot seats and mixed seating. Seat count and age suitability should be selected using the exact model, rather than assuming all bipod frames ship with the same seat package.

Allow for the required swing-use zone and install swing surfacing and footings according to the appropriate installation guide. The yoke color identifies a finish choice and does not establish a different play capacity.
