Product Image

Description

20-gallon removable plastic liner for TRSQ receptacle

The PL-20 is a 20-gallon plastic liner intended for compatible UltraSite TRSQ square waste receptacles. Its removable bin helps operators collect and empty waste without handling the outside decorative receptacle shell.

Product specifications

Model	PL-20
Capacity	20 gallons
Construction	Plastic liner
Application	Compatible 20-gallon TRSQ receptacle assemblies
Manufacturer assembly reference	TRSQ-40 parts list specifies two PL-20 liners
Scope	Replacement liner only; outer receptacle and

lid separate

Selection and comparison

Use PL-20 for a compatible 20-gallon liner space; do not substitute a 32-gallon round liner by capacity alone. The TRSQ-40 two-compartment assembly uses two of these 20-gallon liners.

Confirm model compatibility, installation requirements and selected finish before ordering.
