Product Image

Description

Four-Foot Freestanding Straight Playground Slide

The SLIDE-P freestanding playground slide has a four-foot nominal slide deck height, coated steel stairs and a heavy-duty rotomolded straight slide with an entrance hood. Barrier rails and a transition deck support the seated sliding sequence. This is a complete freestanding slide assembly rather than a replacement slide bedway.

Verified model specifications

Model	SLIDE-P
Deck height	4 ft nominal
Upright posts	3-1/2 in powder-coated steel
Bedway	Heavy-duty rotomolded straight plastic slide
Access	Perforated coated-steel stairs
Use zone	24 ft x 16 ft
Listed equipment weight	450 lb
Mounting	Assembly and in-ground installation required

Selection and comparison

Compare this complete freestanding straight slide with component-only replacement slides. SLIDE-P includes access stairs, supporting posts, hood and transition elements. Size the protected play area to its published 24 ft x 16 ft use zone.

Verify current installation requirements, site layout, protective surfacing and the supplied product revision before ordering.
