Description

Surface mounting kit for compatible 32-gallon receptacles | SM KIT

This surface-mount accessory supports a compatible outdoor trash receptacle on a suitable concrete foundation. It is a mounting kit only and does not include a receptacle body.

Verified product specifications

Application	Compatible UltraSite receptacle assemblies shown on model drawings
Support tube	2-3/8-inch OD, 12-gauge pre-galvanized steel
Attachment plate	7-gauge, 8 by 8-inch steel
Base plate	1/4-inch steel, 6 by 6 inches
Finish	Powder-coated steel

Hardware	Stainless receptacle-assembly fasteners included; concrete anchors not included

Product selection and comparison

Use SM KIT where an approved concrete slab supports surface anchors. IG KIT is the in-ground alternative. Mounting systems are not equivalent-material variants and do not create related-ID links under PIP3 rules.

Confirm exact configuration, installation instructions and site conditions prior to ordering or installation.
