Description

Safe & Durable Slide

Take your playground setup to the next level with this 30-inch diameter, 9-foot straight slide, designed for a longer, more exciting ride while maintaining safety and durability. Ideal for residential backyards, schools, parks, and recreational facilities, this slide delivers both performance and reliability.

Constructed from high-quality, weather-resistant materials, this straight playground slide is built to handle frequent use and outdoor conditions. The included ground support system enhances stability, helping ensure a secure installation on a variety of surfaces.

This 9 ft straight slide with assembly hardware comes complete with everything needed for installation, making it a convenient choice for both new builds and replacement projects. The wider 30-inch diameter provides a comfortable sliding experience for children of different ages, making it a versatile addition to any playground.
