Description

Thrilling Slide Experience

Maximize the fun with this 30-inch diameter, 11-foot straight playground slide, designed to deliver a longer, more thrilling ride while maintaining safety and structural integrity. Ideal for residential backyards, schools, parks, and community spaces, this slide is built for performance and reliability.

Constructed from durable, weather-resistant materials, this straight playground slide is engineered to withstand frequent use and outdoor conditions. The included ground support system enhances stability, helping ensure a secure installation on a variety of surfaces.

This 11 ft straight slide with assembly hardware comes complete with everything needed for installation, making it a convenient solution for both new playground builds and replacement projects. The 30-inch diameter provides a wide, comfortable ride that accommodates children of different ages.
