Description

Safe & Thrilling Experience

Deliver maximum excitement with this 30-inch diameter, 12-foot straight playground slide, designed for longer rides and dependable performance. Ideal for backyards, schools, parks, and recreational facilities, this slide provides a safe and thrilling experience for children of all ages.

Built from high-quality, weather-resistant materials, this straight playground slide is made to endure heavy use and outdoor conditions. The included ground support system adds essential stability, ensuring a secure and reliable installation.

This 12 ft straight slide with assembly hardware comes complete with everything needed for installation, making it a convenient choice for both new playground builds and replacement projects. The wide 30-inch diameter offers a comfortable ride, while the extended length adds an extra level of fun and excitement.
