Description

Smooth, Controlled Curve

Add a fun and dynamic element to your playground with this 30-inch diameter right 90° tube slide, designed specifically for 4-foot deck heights. The enclosed structure creates an engaging sliding experience while enhancing safety for children.

This right-turn 90-degree tube slide features a smooth, controlled curve that provides a comfortable yet exciting ride. Built from high-quality, weather-resistant materials, this playground tube slide is engineered to withstand daily use in both residential and commercial environments.

Perfect for backyards, schools, parks, and recreational facilities, this 4 ft deck height tube slide offers a dependable combination of durability, safety, and fun. The enclosed design helps keep riders safely within the slide path, giving parents and operators added peace of mind.
