Description

Fun & Immersive

Elevate your playground with this 30-inch diameter right 90° tube slide, engineered specifically for 7-foot deck heights. The fully enclosed design enhances both safety and excitement, creating a fun and immersive sliding experience for children.

This right-turn 90-degree tube slide features a smooth, controlled curve that adds dynamic movement while maintaining a comfortable and consistent descent. Constructed from high-quality, weather-resistant materials, this playground tube slide is built to withstand heavy use in both residential and commercial environments.

Ideal for backyards, schools, parks, and recreational spaces, this 7 ft deck height tube slide offers a dependable combination of durability, safety, and performance. The enclosed structure keeps riders safely within the slide path, providing added confidence for parents and playground operators.
