Umbrella Base $112.00

https://www.dunriteplaygrounds.com/store2/79303-Umbrella-Base

Product Image

Description

Model 01-04-0484 is a hard-plastic, fillable base for compatible outdoor park umbrellas. The base is shipped empty and is weighted at the installation site.

Features and ordering details

- Can be filled with water or concrete as appropriate for site requirements
- Available in black, white or beige according to a current product listing
- Base only: umbrella canopy and pole are purchased separately
- Verify pole size, wind exposure and base suitability before setting up the umbrella

Compare configurations

Model	Configuration	Selection guidance
01-04-0484	Fillable plastic umbrella base	Free-standing support accessory; ships empty
7G umbrella family	Commercial park umbrella	Canopy and post selection

must be matched separately

A fillable base does not eliminate the need to follow the umbrella maker’s anchoring and wind-use directions.
