36 inch HAMILTON ROUND TABLE SOLID TOP

https://www.dunriteplaygrounds.com/store2/79320-36-inch-HAMILTON-ROUND-TABLE-SOLID-TOP

Product Image

Description

36 inch HAMILTON ROUND TABLE SOLID TOP (364-RDSD) corresponds to the 2026 exact-model description: 36" HAMILTON ROUND TABLE, SOLID TOP. The specifications below identify this SKU rather than every available option in the manufacturer family.

Exact model specifications

Catalog model	364-RDSD
2026 exact-model listing	36" HAMILTON ROUND TABLE, SOLID TOP
Top	36-inch round solid tabletop
Seats	Not included
Frame	Contour-style powder-coated steel
Mounting	Portable
Umbrella hole	Yes

Configuration comparison

This product	36-inch round stand-alone portable table
Shape alternatives	Round and square solid-top models are distinct SKUs
Seating	Hamilton chairs or other seating purchased separately
Umbrella	Round table has opening; square tabletop does not

This Hamilton portable table features a 36-inch round solid tabletop and a protective powder-coated contour steel frame. This is a stand-alone table, not the Hamilton integrated table-and-seating ensemble. Manufacturer information distinguishes a round top with umbrella opening from the square top without an umbrella hole. Chairs and benches are not supplied with this portable 364 table, so seating requirements must be specified separately. The table design supports flexible outdoor gathering layouts, subject to placement and pedestrian-clearance requirements. Powder-coat finish colors can be coordinated with other Hamilton furnishings, while the selected finish is an ordering preference rather than a different tabletop shape. If shade is needed, confirm the umbrella and support requirements separately. A provided umbrella opening does not include an umbrella, canopy or other shade equipment.
