Description

Surface-mount dual-grate family park grill, 550 square inches

The 650SM-3 commercial family-sized charcoal grill features two adjustable cooking grates with 550 square inches of cooking area. This configuration uses a surface-mounted support arrangement.

Verified product specifications

Cooking surface	550 square inches total
Firebox	20 inches long by 28 inches deep by 8 inches high
Grates	Dual grates; four adjustable positions
Grate handles	Cool-coil grips
Post size	Two 3-1/2-inch OD posts
Mounting	Surface mount

Finish	High-temperature black powder-coated firebox

Product selection and comparison

The surface-mount 650SM-3 differs from the in-ground 650-3 configuration. An optional utility shelf or lockable cover must be ordered separately where required; do not assume either is included.

Confirm exact configuration, installation instructions and site conditions prior to ordering or installation.
