Description

Flash Bike Rack Inground Galvanized, model **G5060S**, is a commercial two-bike flash bike rack with inground installation and a galvanized finish.

- **Bike capacity:** Up to 2 bikes
- **Mount:** Inground
- **Finish:** Galvanized
- **Design:** Modern loop-style rack
- **Framework:** 2-3/8" O.D. steel pipe
- **Overall size:** 38-7/16" high x 26-1/4" wide

The galvanized version uses a hot-dip galvanized corrosion-resistant finish. This is a distinct finish SKU rather than a color-only variation.

Mounting comparison

Model	Mount	Finish	Capacity
G5060S	Inground	Galvanized	2 bikes
G5060SM	Surface Mount	Galvanized	2 bikes

Finish comparison

Model	Finish	Mount	Capacity
G5060S	Galvanized	Inground	2 bikes
P5060S	Powder Coated	Inground	2 bikes

Alternative two-bike design

Family	Model	Mount	Finish
Flash Bike Rack	G5060S	Inground	Galvanized
U Bike Rack	G5050S	Inground	Galvanized
