Description

U Bike Rack Inground Powder Coated, model **P5050S**, is a commercial two-bike u bike rack with inground installation and a powder coated finish.

- **Bike capacity:** Up to 2 bikes
- **Mount:** Inground
- **Finish:** Powder Coated
- **Design:** Single U-style loop
- **Framework:** Pre-galvanized steel tubing

The powder-coated version provides a selectable colored finish over the steel rack. Color selection within the powder-coated finish does not create another SKU relationship.

Mounting comparison

Model	Mount	Finish	Capacity

P5050S	Inground	Powder Coated	2 bikes
P5050SM	Surface Mount	Powder Coated	2 bikes

Finish comparison

Model	Finish	Mount	Capacity
P5050S	Powder Coated	Inground	2 bikes
