Description

24 Inch Plyometric Box with Sign Post | Model UP175/UP197

Designed for commercial outdoor fitness areas serving users age 13 and older, this ActionFit product supports stepping, jumping, dips and interval-training movements. The specified configuration is fixed 24-inch box and separate up197 instructional sign post. It can help recreation departments and site planners provide purposeful exercise activities in public fitness spaces.

Product details

- Exact model: UP175/UP197
- Activity: Stepping, jumping, dips and interval-training movements
- Configuration: Fixed 24-inch box and separate UP197 instructional sign post
- Scope: Exercise station and instructional sign post package

- Intended users: age 13 and older

The instructional sign post is part of the listed bundle; it should not be confused with a separate exercise station. Installation method, impact-attenuating surfacing and clearance requirements must be checked against the current model-specific manufacturer drawing.
