Description

Balance Board with Sign Post | Model UP177/UP197

Designed for commercial outdoor fitness areas serving users age 13 and older, this ActionFit product supports dynamic balance and body coordination. The specified configuration is balance board station with separate up197 instructional sign post. It can help recreation departments and site planners provide purposeful exercise activities in public fitness spaces.

Product details

- Exact model: UP177/UP197
- Activity: Dynamic balance and body coordination
- Configuration: Balance board station with separate UP197 instructional sign post
- Scope: Exercise station and instructional sign post package
- Intended users: age 13 and older

The instructional sign post is part of the listed bundle; it should not be confused with a separate exercise station. Installation method, impact-attenuating surfacing and clearance requirements must be checked against the current model-specific manufacturer drawing.

Compare Balance and assisted movement
