Description

Performance Course 2.0 | Model UP312S

Designed for commercial outdoor fitness areas serving users age 13 and older, this ActionFit product supports a multi-station fitness circuit for varied activity. The specified configuration is inground performance course package. It can help recreation departments and site planners provide purposeful exercise activities in public fitness spaces.

Product details

- Exact model: UP312S
- Activity: A multi-station fitness circuit for varied activity
- Configuration: Inground performance course package
- Scope: Complete course package
- Intended users: age 13 and older

This is a course package rather than an individual exercise station. Confirm the manufacturer bill of materials before finalizing the site layout. Installation method, impact-attenuating surfacing and clearance requirements must be checked against the current model-specific manufacturer drawing.
