Description

Great for Imaginative Play!

Encourage self-discovery, social interaction, and sensory play with the Mirror Activity Panel. Designed as an interactive playground activity panel, this engaging component allows children to see their reflections, explore facial expressions, and interact visually with themselves and others.

The mirror element supports social-emotional development, imaginative play, and self-awareness while providing a calming sensory experience. Ideal for playgrounds, schools, daycares, parks, and indoor play environments, the Mirror Activity Panel is a valuable addition to inclusive play spaces designed for children of all abilities.

Built for durability and repeated use, this panel enhances visual interest and interactive learning in high-traffic play areas.
