Description

46 inch PRESCHOOL SQUARE TABLE DIAMOND ROLLED EDGE (358PS-VR)

The 46 inch PRESCHOOL SQUARE TABLE DIAMOND ROLLED EDGE is an individual 2026 catalog configuration. The exact manufacturer price-list entry describes it as 46" PRESCHOOL SQUARE TABLE, DIAMOND ROLLED EDGE. The model-specific specifications below identify the product supplied under this SKU, not every accessory, color or variation that may be offered throughout the collection.

The early-childhood learning table belongs to a range of 46-inch square, octagonal and round tops with rounded corners. It uses a 1-5/8-inch outside-diameter welded steel-pipe frame, 1-inch brace, walk-through access and stainless-steel hardware.

Choose the top geometry and perforated, diamond or solid-top pattern by its listed model. The

solid-top learning version with alphabet and number graphics is a distinct configuration, not an accessory that is automatically bundled with patterned-top tables.
