Mounting comparison

Model	Mount	Length	Material / finish	Catalog state
59S-BRN8	Inground	8 ft	Brown recycled plastic	Active

59SM-BRN8	Surface mount	8 ft	Brown recycled plastic	Inactive catalog record

Catalog note: the exact alternate-mount counterpart exists as an inactive catalog record. Its current availability should be confirmed before ordering.

Other active lengths in this mount and material

Length	Model
4 ft	59S-BRN4
6 ft	59S-BRN6

Alternative construction in this length and mount

Construction	Model
Horizontal slat steel	59S-HS8

Brown, cedar, green, and gray are recycled-plastic color choices within the same construction family. Color alone does not create a related-product recommendation.
