Description

Joy Ride surface mount | BARK-520SM

Joy Ride surface mount is a Joy Ride dog-park activity in the surface mount option.

This activity belongs to the BarkPark family of dog-park equipment. The exact model distinguishes a complete set from an individual panel, and an SM suffix identifies a separately specified mounting configuration.

For a coordinated dog-park layout, combine suitable agility elements with companion signs, pet waste stations and visitor amenities; dimensions, clearances, anchoring and course sequencing should follow the selected manufacturer installation documentation.
