## Product Image

## Description

### Combination Fitness Hub, Inground Mount

The Combination Fitness Hub outdoor fitness station (model UP221S) is designed for public outdoor exercise areas serving users age 13 and older. It supports multiple chin-up and push-up exercises. This version uses inground mount installation, allowing site planners to select the attachment method appropriate for the project.

### Product details

- Model: UP221S
- Fitness activity: Multiple chin-up and push-up exercises
- Mounting: Inground Mount
- Intended users: ages 13 and older
- Installation and impact-attenuating surfacing must follow current manufacturer instructions and applicable site requirements

## Compare installation options

| Model | Installation |
|---|---|
| UP221S | Inground mounting |
| UP221SM | Surface mounting |

Select the mounting configuration to suit the project's supporting surface and installation design. Request the model-specific installation drawing before specifying foundations or anchors.
