Product Image

Description

Combination Fitness Hub, Surface Mount

The Combination Fitness Hub outdoor fitness station (model UP221SM) is designed for public outdoor exercise areas serving users age 13 and older. It supports multiple chin-up and push-up exercises. This version uses surface mount installation, allowing site planners to select the attachment method appropriate for the project.

Product details

- Model: UP221SM
- Fitness activity: Multiple chin-up and push-up exercises
- Mounting: Surface Mount
- Intended users: ages 13 and older
- Installation and impact-attenuating surfacing must follow current manufacturer instructions and applicable site requirements

Compare installation options

Model	Installation
UP221S	Inground mounting
UP221SM	Surface mounting

Select the mounting configuration to suit the project's supporting surface and installation design. Request the model-specific installation drawing before specifying foundations or anchors.
