Description

Enhance Play Value

Add smooth motion and directional flexibility to taller playground structures with the 30 Inch Diameter Slide – 5 Foot Deck Height, Curved (Left or Right). Designed for commercial playground environments, this slide features a curved profile that gently guides riders to the left or right, enhancing play value while maintaining a controlled, comfortable descent.

Built for 5-foot deck height playgrounds, this 30-inch tube slide offers a spacious sliding surface suitable for a broad age range. The curved configuration allows designers to manage exit placement and optimize layouts in tighter or more complex play areas—ideal for schools, parks, churches, daycares, and community playgrounds.

Durable and dependable, this slide is well-suited for new installations and replacement applications in high-traffic environments.
