Product Image

Description

Pasadena Bike Rack 2-Bike Portable / Surface Mount, model **18-P2**, is a compact two-bike rack from the Pasadena collection. The same SKU can be used as a portable rack or configured for surface mounting, so mount choice is handled within the product rather than as separate catalog SKUs.

- **Bike capacity:** 2 bikes
- **Mount:** Portable and/or surface mount
- **Primary material:** Formed 1/4" plate steel
- **Pattern:** Precision laser-cut / punched perforated pattern
- **Reinforcement:** 1/4" x 6" steel strip
- **Bicycle locking plate:** 1/4" thick
- **Construction:** Fully electrically MIG welded
- **Finish:** Zinc-rich epoxy primer with electrostatic powder-coat topcoat, oven cured
- **Overall footprint:** 24" x 20"

- **Overall height:** 18"

Mounting configuration

Model	Portable	Surface Mount	Capacity
18-P2	Yes	Yes	2 bikes

Because portable and surface mounting are configuration choices for the same 18-P2 SKU, they should not be represented as separate related products. Powder-coat color is likewise an option, not a separate SKU relationship.
