The 358 thermoplastic family is offered in portable and surface-mount configurations. Mounting is selected within the product configuration rather than encoded in these model suffixes.

This model uses the solid-top configuration rather than an expanded-metal tabletop pattern.

Standard / accessible comparison

Model	Seats	Accessibility	Shape	Pattern
358H-SD	3	Accessible	Square	Solid top
358-SD	4	Standard	Square	Solid top

Seat/tabletop and frame colors are selectable finish options. Color alone does not create a separate related-product recommendation.
