Description

The Infant Swing Seat, model 55-451RB, is the manufacturer-listed infant swing seat for compatible commercial playground swings. This listing covers the individual replacement seat, not a complete swing support frame or a full infant swing-seat package. The 2026 UltraPlay list separately identifies the complete infant seat, chain, hanger and S-hook package as model 02-07-0101.

Model specifications

Exact manufacturer model	55-451RB
2026 catalog identification	Infant Swing Seat
Published shipping weight	8 lb
Component type	Infant Swing Seat
Product scope	Replacement infant seat; chains and hangers are separately described in the swing-seat package SKU
Replacement part	Seat only, not complete swing bay

Configuration and related choices

Individual part	55-451RB infant swing seat
Separate package	02-07-0101 infant seat with chains, hangers and S-hooks
Alternative seat type	55-451 strap swing seat is a separate model

Verify the existing swing frame, hanger type, chain specification and applicable age/use guidance before choosing a replacement seat. Do not assume chains, hangers or S-hooks accompany this single-seat SKU. A strap-style swing seat is also cataloged separately for a different seating application. Use the matching parts and the manufacturer's assembly instructions to maintain the intended configuration.
