- **Overall height:** 50-1/8 in
- **Grill height above grade:** 38-1/8 in
- **Utility shelf:** 19" wide x 8" deep
- **Utility shelf material:** Formed 7-gauge steel

Standard / ADA-height comparison

Model	Height Class	Overall Height	Mount
640-3-U	Standard Height	50-1/8 in	Inground
640H-3-U	ADA Height	40-1/8 in	Inground

Utility shelf comparison

Model	Utility Shelf	Mount	Height Class
640-3-U	Yes	Inground	Standard Height
640-3	No	Inground	Standard Height

The current 640 specification identifies this product as a pedestal-mounted cooking grill. The previous ODS title used “rotating” and 432 square inches; neither is supported by the current 640 drawing, which specifies a 420-square-inch cooking surface.
