The unique appearance of the ECO WOOD Series playground is sought after by architects, community designers and park and recreation districts looking to make a statement with their public space by providing play opportunities with a one-of-a-kind look. Based on the classic style of your playground in the 1980's and 1990's, Eco Wood delivers a retro appearance with state-of-the-art materials with a proven performance record that results in a natural looking playground without costly and laborious maintenance of a wooden playground.

Includes: ADA Transfer Station, Wavy Climber, Inclined Net Climber, Fireman's Pole, Leaf Climber, Tube Slide Right Turn, WIndow Panel (3), Store Panel, Vertical Climber, Tube Slide Straight, Music Panel, Single Straight Slide (2), Rock Climber
