Description

Smooth, Twisting Ride

Add exciting motion and visual appeal to your playground with the 6 Foot Deck Height Spiral Slide with Hood (139"). Designed for commercial playground environments, this spiral slide delivers a smooth, twisting descent while the integrated hooded entrance provides shade, comfort, and proper rider positioning.

Built for 6-foot deck height platforms, the spiral configuration extends slide length within a compact footprint, increasing play value without requiring additional space. The hood enhances safety and user confidence, making this slide a great fit for schools, parks, churches, daycares, and community playgrounds.

Durable and engineered for daily use, this spiral slide is ideal for new playground installations or replacement applications where fun, safety, and reliability are top priorities.
