Product Image

Description

Take outdoor entertaining to a whole new level with the Broilmaster Griddle. Our stainless steel griddle is equiped with two stainless u-shaped burners that can produce up to 36,000 BTU’s over the 462 square inch cooking surface. Effortlessly light the griddle with flame thrower ignition and lighted control knobs. Pair the 32-inch griddle head with the durable Broilmaster two-door cart for added storage. Natural Gas
