Description

Expand your outdoor cooking into new realms with the Blaze built-in gas griddle. This Blaze built-in gas griddle is equipped with two commercial quality, 304 stainless steel U-shaped burners that each deliver 18,000 BTUs of cooking power for a total of 36,000 BTUs across the 495 square inch cooking surface. Push and turn flame-thrower primary ignition, backup flash tube secondary ignition and cross tubes ensure a steady, reliable flame with every start. A full-width grease trough with a hole in the center directs grease down to the drip tray below for easy cleaning. This ETL certified gas griddle is constructed entirely with heavy-duty, 304 grade stainless steel and includes a stainless steel lid to cover the griddle plate when not in use. Blaze gas griddles have a lifetime warranty that warrants against any defects in the manufacturing and workmanship of the main burners, griddle plate, body, and control valves. While the ignition system and electronics are covered for one (1) year after the date of purchase. Product must be registered within thirty days for the warranty to apply.

Natural Gas
