Description

This Blaze 15? Outdoor Refrigerator features a slim design for small spaces and lends a sleek look no matter the setting. Despite its space-saving design, this low-profile fridge can still hold up to 74 cans of your favorite beverages! White LED lighting, meanwhile, ensures you can find your favorite drinks, day or night. To top it all off, the unit's heavy-duty, 304-grade stainless steel construction and 1-year limited warranty give you confidence in your new outdoor appliance.
