Description

Transform your outdoor kitchen with Bull’s 30-inch Stainless Steel Double Doors, showcasing the innovative Reveal Design. Crafted from top-tier 304 Grade 16 Gauge Stainless Steel, these double doors add modern elegance to your outdoor space and offer exceptional durability. Far from just aesthetically pleasing, they provide high functionality with their double-lined construction, which affords ample storage space for everything from utensils to propane tanks. Embrace an organized, clutter-free outdoor cooking area with these doors. Bull’s commitment to quality and style makes these double doors a must-have for creating a culinary haven outdoors. Discover our range of premium outdoor kitchen and grill solutions. (Replaces item# 33568)
