Description

The Brahma grill is a 5-Burner 38” stainless steel built-in gas barbecue grill with an Infrared back burner. The five solid cast stainless steel burners and rotisserie kit evenly distribute heat using the proprietary ReliaBull technology, minimizing hot and cold spots. A heavy duty temperature gauge measures internal cooking temperatures, so your entrée is grilled to perfection. With a stainless steel grease tray and easy-to-clean drip tray liner, cleaning up after a meal is a snap. The Brahma’s fire box, solid stainless steel cooking grates, and burners are all guaranteed for the life of the grill. The grill’s functional and durable design will surely impress guests.
