Description

Elevate your outdoor kitchen with the Bull Vertical Stainless-Steel Door Left Swing, which showcases a stunning Reveal design. This door, constructed from high-quality 304 Grade 16 Gauge Stainless Steel, ensures exceptional durability and adds a sleek, modern touch to your outdoor space. The double-lined design of the door sets it apart, providing substantial storage space for propane tanks and gas lines while maintaining a seamless look. This stylish and functional addition enhances your grilling experience and the overall aesthetics of your outdoor kitchen. (Replaces Item# 98552)
