Description

Introducing the new DuraBull™ Outdoor Kitchen line from Bull that pairs quality craftsmanship with cutting edge innovation. Constructed of HDPE (High-density polyethylene), this new Outdoor Kitchen collection offers elegance with casual sophistication.

Careful detailing has gone into the design and execution of each piece, from the well-crafted door embossing and edging to the Innovative patented, hidden joinery technology for solid joints. The innovative materials, advanced manufacturing, and thoughtful design allow DuraBull™ to synthesize classic styling with a modern curve. Yes, the future of Outdoor Kitchens has arrived! The Charleston Outdoor Kitchen is a wonderful addition to any smaller backyard or patio. You'll have everything you need right in front of you, including hot BBQ right off the grill and an ice-cold drink from the fridge.
