Description

Experience a new and improved method to bake a pizza with the WPPO Karma 32-Inch Wood Fired Pizza Oven with Stainless Steel Base. Made with 304 grade Stainless Steel, Karma pizza ovens are slim lined and have a low profile designed to quickly heat your pizza without sacrificing flavor.

The most popular size of our revolutionary Karma line is the 32" wood-fired oven, in which provides space for up to three pizzas, or for your favorite cast iron pans. Made with premium 304 stainless steel, the Karma 32 can turn family meal prep into an outdoor celebration where conversation and laughter accompanies the cooking experience!
