Description

Bring your wood fire cooking to the next level with this WPPO WKE-04G-BLK black hybrid dual fueled wood / gas fire outdoor pizza oven with mobile stand! This oven cooks food very quickly and preserves nutritional quality, while allowing you to infuse your pizzas, meats, and vegetables with the flavors of smoky wood. With a vertical design, smoke travels easily to infuse whatever is cooking, whether your items are baking or roasting. Plus, the compact design allows for faster heating times! This sleek, low-profile pizza oven features 506 sq. in. of cooking surface area.

This oven's double-walled interior is made of type 430 stainless steel with a 4" fire blanket insulation, while its exterior has a durable, powder-coated steel construction. Since this hybrid oven has a gas attachment, you can use it with wood or gas! For added convenience, the included 27" x 30" mobile stand includes an undershelf with a propane tank holder, providing extra space for grilling supplies and utensils. It also includes two wheels and a side handle, transforming your oven into a mobile and versatile cooking station!
