Description

Bring your wood fire cooking to the next level with this WPPO WKE-01-BLK Le Peppe black portable wood fire outdoor pizza oven! This oven cooks food very quickly and preserves nutritional quality, while allowing you to infuse your pizzas, meats, and vegetables with the flavors of smoky wood. With a vertical design, smoke travels easily to infuse whatever is cooking, whether your items are baking or roasting. Plus, the portable design allows you to bring this lightweight oven with you to wherever you need it most! Whether it needs to be moved on-site at your establishment or taken to an event or tailgate party, this versatile oven is built to be transported with ease!

This double-walled steel oven's interior has a fire blanket insulation to withstand the heat. Plus, it features extra-thick 11-milimeter cordierite for added durability! With its down-draft air induction system, this oven offers enhanced temperature management. You can easily add wood chunks or charcoal through the rear feeder to help give your delicious creations a wonderful smokey flavor!
